

CBSE Symposium – complete reference list

Ivica Crnković (ivica.crnkovic@mdh.se), Luka Lednicki (luka.lednicki@fer.hr), Josip Maras (josip.maras@fesb.hr)

Abstract: This report presents a complete list of papers published on the CBSE Symposium events (including Interational Workhop on Component Based Software Engineering 1998 - 2003, and International Symposium on Component Based Software Engineering 2004 - 2011). Each reference is accompanied with a unique identifier in the form of S-YY-Index.
